

Preliminary Site Assessment

Site Name:		Inspected By:	
Site Reference No:		Date:	
Land Tenure / Management Unit:			
Grid Coordinate System:	Easting:	Northing:	
Elevation:	Aspect:		
Access: <i>(main road or fire trail access)</i>			
Approx. area & dimensions of site:			
Current / possible other uses or stakeholders:			
GENERAL SITE DESCRIPTION (type of site, relevant history, main features of site, vegetation cover on site and surrounding areas, topography, soils/geology, fire history, visual amenity):			
Safety hazards: (site instability, waste material on site, asbestos potential, public safety, road proximity, etc)			
Weed Species & population estimate:			
Flora & Fauna Issues:			
Erosion/Stability Issues:			

Hydrology (drainage on-site, nearby watercourses/obstruction, peak flows, water quality etc):

Heritage Remnant features/Waste Material:

Other:

REHABILITATION OBJECTIVES
